

The Burke Rehabilitation Hospital Financial Assistance Summary

Burke Rehabilitation Hospital recognizes that there are times when patients in need of care will have difficulty paying for the services provided. The Burke Rehabilitation Hospital Charity Care program provides discounts to qualifying individuals based on their income and who reside within our Primary Service Area (PSA). In addition, we can help you apply for free or low-cost insurance if you qualify. Please contact our Patient Financial Services Department at Financialassistance@burke.org or 917-597-2131 Option # 6

PLEASE NOTE: BEFORE BEING ACCEPTED INTO BURKE REHABILITATION HOSPITAL'S CHARITY CARE PROGRAM, YOU MUST, IF APPLICABLE, ATTEMPT TO APPLY FOR ACCEPTANCE INTO THE MEDICAID INSURANCE PROGRAM OR WORKERS COMPENSATION / NO FAULT INSURANCE PROGRAMS.

Who qualifies for a discount?

Financial Assistance is available for patients with limited incomes and no health insurance. As part of its Charity Care Program, Burke Rehabilitation Hospital offers free or discounted inpatient and outpatient medical care services to eligible people. To qualify for this program, you must be uninsured or have exhausted your current insurance benefits. Charity Care will not be given on financial obligations dictated by insurance plan deductible and co-payment requirements. In addition, your family income, as evidence by Internal Revenue Service tax returns, and, when applicable, completed Medicaid eligibility applications, must be equal to or less than three times the current Federal Poverty Guidelines.

You may apply for a discount regardless of immigration status. You will not be denied medically necessary care because you qualify for financial assistance.

Can someone explain the discount? Can someone help me apply?

Yes, free, confidential help is available. Call Patient Financial Services 914-597-2329. If you do not speak English someone will help you in your own language. The Counselor will help you fill out all the forms and tell you what documents you need to bring.

The Financial Counselor can tell you if you qualify for free or low-cost insurance, such as Medicaid, Child Health Plus and Family Health Plus. If the Financial Counselor finds that you do not qualify for low-cost insurance, they will help you apply for our Charity Care Discount.
